Dear Parents,

Cherokee School has subscribed to Culture Grams Online for students to use from home.

**World Edition** has over 200 countries for students to explore.

**Kids Edition** has 78 countries and is written in a simpler format.

**States Edition** has all 50 states and the District of Columbia for students to explore.

**Provinces Edition** has the Canadian provinces and territories.

There are recipes, videos, interviews, photos and slideshows for the students to view. Plus lots of information!

When accessing at home you can use the District 67 Students General Resources page or use this web address:
